👤 Profile

Data Scientist graduate of the **ISIDS Professional Master's Program – Data Science**, with combined expertise in **Business Intelligence** and **software development**. Experienced in designing end-to-end data / AI solutions — from raw data to production deployment — applied to real business use cases. Seeking an opportunity in Data Science / Machine Learning Engineering.

📁 Experience

Final-Year Internship – Data Scientist — Excellia Solution, Tunis Feb – Jun 2026 (5 months)

Project: LC Validator — AI platform for documentary letter of credit validation (SWIFT MT700)

- Microservices architecture: Angular, Spring Boot 3/Java 17, Flask/Python, PostgreSQL, Docker.
- SWIFT entity extraction via NER (BERT).
- Document classification (LayoutLMv3) and UCP 600 compliance detection.
- Explainable risk scoring (calibrated XGBoost, Isolation Forest) with SHAP / LIME.

Final-Year Internship – BI – VERMEG, Tunis

Feb – Jun 2024

Project: Implementation of a BI Solution for Optimized Resource Management in Jira Software "Atlassian"

- Automated ETL pipelines, achieving a 40% reduction in reporting time.
- Built Power BI dashboards for KPI monitoring.

🎓 Academic Projects

LC Validator / SWIFT Validator (2026) — XAI-powered AI platform for documentary letter of credit validation

BI Solution – Jira Resource Management (2024) — ETL and Power BI dashboards, **40%** reporting time reduction

Smart Job Matcher (2025) — BERT NLP + semantic similarity

RFM Clustering (2024) — Segmentation of 10k customers via KMeans

Big Data Water Analytics (2024) — PySpark + Kafka data processing pipeline

🎓 Education

Professional Master's ISIDS – Data Science | FSEGT, University of Tunis El Manar — 2024–2026

Bachelor's in Business Computing (BI) | FSEG Tunis — 2021–2024

⚙️ Skills

Data Science: Python, Scikit-learn, TensorFlow, BERT, Transformers, NLP, XGBoost, PySpark, Kafka

Dev: React, Express.js, Angular, Spring Boot, Flask, Java

Deployment: Docker, Git, PostgreSQL, Linux

BI: Power BI, Talend, ETL, Data Modeling, SQL

👥 Soft Skills

Analytical mindset • Problem solving • Teamwork • Communication • Autonomy • Adaptability

🗣️ Languages

Arabic (native) — French (B2) — English (B2)

🤝 Community Engagement

Head of the Public Interest Committee — Tuni'act Club (Les Berges du Lac) 2024 – 2025

- Led public interest initiatives and coordinated social impact projects (clean-ups, solidarity days, winter aid drives).

Active Member — Public Interest & Finance Committees, Tuni'act Club

2023 – 2024

- Participated in local and national community initiatives and contributed to the financial management of projects.
